

For the purpose of vehicle pools, the Capitol Hill Area is defined by the areas outlined by the heavy black lines and includes state agencies, activities and offices located within those boundaries.

Included is the geographic area generally bounded by Interstate 20 on the South, Washington Street and/or Central Avenue on the West, the CSX railroad tracks and/or Decatur Street on the North, and Interstate 75/85 (Downtown Connector) and/or Martin Street and Terry Street on the East. Also included are the office buildings at Two Peachtree Street and The Equitable Building.

The specific buildings identified on the map are for reference and orientation. They are not intended to imply that the guidelines on vehicle pools might not apply to agencies located in buildings not specifically identified on the map.
