## HB 44 - FY 2018 APPROPRIATIONS BILL

### **Intent Language Considered Non-Binding**

Section 28, pertaining to the Department of Human Services, page 133, line 200.7:

The General Assembly seeks to appropriate \$100,000 to the Georgia Vocational Rehabilitation Agency for the Warrior Alliance to assist veterans in transitioning to private employment. These funds should be used to provide needed training and employment services for veterans; however, the Georgia Vocational Rehabilitation Agency should have the authority to select the provider to best serve this population statewide. Therefore, the Department is authorized to utilize the funds for veterans training and employment services in accordance with the purpose of the program and the general law powers of the Department.

## CONFERENCE COMMITTEE SUBSTITUTE TO H.B. 44 A BILL TO BE ENTITLED AN ACT

To make and provide appropriations for the State Fiscal Year beginning July 1, 2017, and ending June 30, 2018; to make and provide such appropriations for the operation of the State government and its departments, boards, bureaus, commissions, institutions, and other agencies, for the university system, common schools, counties, municipalities, and political subdivisions, for all other governmental activities, projects, and undertakings authorized by law, and for all leases, contracts, agreements, and grants authorized by law; to provide for the control and administration of funds; to provide an effective date; to repeal conflicting laws; and for other purposes.

## BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA: PART I

The sums of money hereinafter provided are appropriated for the State Fiscal Year beginning July 1, 2017, and ending June 30, 2018, as prescribed hereinafter for such fiscal year:

#### 113.100 State Prisons

#### Appropriation (HB 44)

The purpose of this appropriation is to provide housing, academic education, religious support, vocational training, counseling, and substance abuse treatment for violent and/or repeat offenders, or nonviolent offenders who have exhausted all other forms of punishment in a secure, well supervised setting; to assist in the reentry of these offenders back into society; and to provide fire services and work details to the Department, state agencies, and local communities.

### **Community Services**

### **Continuation Budget**

The purpose of this appropriation is to protect the public, hold youth accountable for their actions, assist youth in becoming law-abiding citizens and transition youth from secure detention, and provide the following alternative detention options: non-secure detention shelters, housebound detention, emergency shelters, a short-term stay in a residential placement, tracking services, wraparound services, electronic monitoring, or detention in an alternative program. Additionally, Community Supervision supervises youth directly in the community according to their risk and need levels, provides transitional and treatment services to those youth either directly or by brokering or making appropriate referrals for services, and provides agency-wide services, including intake, court services, and case management.

### **Continuation Budget**

\$25,000

(\$2,112)

The purpose of this appropriation is to protect the quality of Georgia's air by controlling, monitoring and regulating pollution from large, small, mobile, and area sources (including pollution from motor vehicle emissions) by performing ambient air monitoring, and by participating in the Clean Air Campaign; to protect Georgia's land by permitting, managing, and planning for solid waste facilities, by implementing waste reduction strategies, by administering the Solid Waste Trust Fund and the Underground Storage Tank program, by cleaning up scrap tire piles, and by permitting and regulating surface mining operations; to protect Georgia and its citizens from hazardous materials by investigating and remediating hazardous sites, and by utilizing the Hazardous Waste Trust Fund to manage the state's hazardous sites inventory, to oversee site cleanup and brownfield remediation, to remediate abandoned sites, to respond to environmental emergencies, and to monitor and regulate the hazardous materials industry in Georgia. The purpose of this appropriation is also to ensure the quality and quantity of Georgia's water supplies by managing floodplains, by ensuring the safety of dams, by monitoring, regulating, and certifying water quality, and by regulating the amount of water used.

**227.5** Transfer funds from the Office of the Governor to the Department of Natural Resources for the Georgia Council on American Indian Concerns.

State General Funds \$15,000 \$15,000 \$15,000

227.6 Increase funds for personnel for one position and for a salary adjustment for review historians and architects, as recommended by the House Study Committee on Historic Site Preservation (HR978, 2016 Session).

State General Funds \$77,455 \$77,455

### 227.100 Historic Preservation

### **Appropriation (HB 44)**

The purpose of this appropriation is to identify, protect, and preserve Georgia's historical sites by administering historic preservation grants, by cataloging all historic resources statewide, by providing research and planning required to list a site on the state and national historic registries, by working with building owners to ensure that renovation plans comply with historic preservation standards, and by executing and sponsoring archaeological research.

Clemency Decisions Continuation Budget

The purpose of this appropriation is to support the Board in exercising its constitutional authority over executive clemency. This includes setting tentative parole dates for offenders in the correctional system and all aspects of parole status of offenders in the community including warrants, violations, commutations, and revocations. The Board coordinates all interstate compact release matters regarding the acceptance and placement of parolees into and from the State of Georgia and administers the pardon process by reviewing all applications and granting or denying these applications based on specific criteria.

It is the intent of this General Assembly that the following provisions apply:

- a.) In order to meet the requirements for projects on the Interstate System, the Office of Planning and Budget is hereby authorized and directed to give advanced budgetary authorization for letting and execution of Interstate Highway Contracts not to exceed the amount of Motor Fuel Tax Revenues actually paid into the Office of the State Treasurer, attached agency of the Department of Administrative Services.
- b.) Programs financed by Motor Fuel Tax Funds may be adjusted for additional appropriation or balances brought forward from previous years with prior approval by the Office of Planning and Budget.
- c.) The Fiscal Officers of the State are hereby directed as of July 1st of each fiscal year to determine the collection of Motor Fuel Tax in the immediately preceding year less refunds, rebates and collection costs and enter this amount as being the appropriation payable in lieu of the Motor Fuel Tax Funds appropriated in this Bill, in the event such collections, less refunds, rebates and collection costs, exceed such Motor Fuel Tax Appropriation.
- d.) Functions financed with General Fund appropriations shall be accounted for separately and shall be in addition to appropriations of Motor Fuel Tax revenues required under Article III, Section IX, Paragraph VI, Subsection (b) of the State Constitution.
- e.) Bus rental income may be retained to operate, maintain and upgrade department-owned buses.

# Section 51: General Obligation Bonds Repealed, Revised, or Reinstated

Reserved.

# Section 52: Salary Adjustments

The appropriations to budget units made above include funds for, and have the added purpose of, the following salary increases and adjustments, to be administered in conformity with the applicable compensation and performance management plans as provided by law:

- 1.) Additional funds for personal services for employees of the Executive, Judicial, and Legislative Branches, excluding Board of Regents faculty and Technical College System of Georgia teachers and support personnel, to be used for merit based pay increases for high performing employees in Fiscal Year 2017 or salary adjustments to attract new employees with critical skills or keep successful performers in critical jobs. The amount for this item is calculated according to an effective date of July 1, 2017.
- 2.) Before Item 1 above, but not in lieu of it, funds for supplementary salary adjustments to address employee retention needs for certain employees in the job titles specified in the appropriations stated above to the Department of Defense, Department of Human Services, Department of Public Health, Prosecuting Attorneys, Georgia Public Defender Council, Court of Appeals and Supreme Court. The amount

for this item is calculated according to an effective date of July 1, 2017.

3.) In lieu of other numbered items, funds to provide a twenty percent salary adjustment to law enforcement personnel and to provide salary enhancements for criminal investigators. The amount for this item is calculated according to an effective date of July 1, 2017.

- 4.) In lieu of other numbered items, funds for the State Board of Education for the Quality Basic Education program, such funds to be used by the Quality Basic Education program for the purpose of providing a two percent increase to the state base salary schedule for certified personnel, school bus drivers, and school nurses. The amount for this item is calculated according to an effective date of September 1, 2017.
- 5.) In lieu of other numbered items, additional funds for personal services for non-faculty employees of the Board of Regents, to be used for merit based pay increases for high performing employees in Fiscal Year 2017 or salary adjustments to attract new employees with critical skills or to keep successful performers in critical jobs. The amount for this item is calculated according to an effective date of July 1, 2017
- 6.) In lieu of other numbered items, to provide funds for supplementary salary adjustments to address needs for the recruitment and retention of Board of Regents faculty, funded through the Teaching program appropriation stated above. The amount for this item is calculated according to an effective date of July 1, 2017.
- 7.) In lieu of other numbered items, additional funds for personal services for public librarians, funded through the Public Libraries appropriation stated above, to be used for merit based pay increases for high performing employees in Fiscal Year 2017 or salary adjustments to attract new employees with critical skills or keep successful performers in critical jobs as administered by the Board of Regents. The amount for this item is calculated according to an effective date of July 1, 2017.
- 8.) In lieu of other numbered items, additional funds for personal services for teachers and support personnel within the Technical College System of Georgia, to be used for merit based pay increases for high performing employees in Fiscal Year 2017 or salary adjustments to attract new employees with critical skills or to keep successful performers in critical jobs. The amount for this item is calculated according to an effective date of July 1, 2017.

## Section 53: Refunds

In addition to all other appropriations, there is hereby appropriated, as needed, a specific sum of money equal to each refund authorized by law, which is required to make refunds of taxes and other monies collected in error, farmer gasoline tax refunds, and any other refunds specifically authorized by law.

## Section 54: Leases

In accordance with the requirements of Article IX, Section III, Paragraph I(a) of the Constitution of the State of Georgia, as amended, there is hereby appropriated payable to each department, agency, or institution of the State sums sufficient to satisfy the payments required to be made in each year under existing lease contracts between any department, agency, or institution of the State and any authority created and activated at the time of the effective date of the aforesaid constitutional provision, as amended, or appropriated for the State Fiscal Year addressed within this Act. If for any reason any of the sums herein provided under any other provision of this Act are insufficient to make the required payments in full, then there shall be taken from other funds appropriated to the department, agency, or institution involved an amount sufficient to satisfy such deficiency in full, and the lease payment shall constitute a first charge on all such appropriations.

# Section 55: Budgetary Control and Interpretation

The appropriations in this Act consist of the amount stated in the right-most column, for each line at the lowest level of detail for the fund source categories, "Total State Funds" and "Total Federal Funds," under a caption beginning with a program or special project number that has a 100 or a higher number after the decimal and a program or special project name. In each case, such appropriation is associated with the immediately preceding program or special project name, number, and statement of program or special project purpose. The program or special project purpose is stated immediately below the program or special project name. For authorizations for general obligation debt in Section 50, the indented, bold-faced paragraphs following each Bond number are the lowest level of detail and constitute appropriations in accordance with Article VII, Section IV, Paragraph III(a)(1) of the Georgia Constitution. The caption above the Bond number, the light-faced text immediately following the Bond number before the bold-faced text, and the light-faced after the bold-faced text are information only.

Similarly, text in a group of lines that has a number less than 100 after the decimal (01 through 99) is not part of a statement of purpose but constitutes information as to how the appropriation was derived. Amounts in the columns other than the right-most column are for informational purposes only. The summary and lowest level of detail for the fund source categories "Total Agency Funds" and "Total Intra-State Governmental Transfers," are for informational purposes only. The blocks of text and numerals immediately following the section header and beginning with the phrases, "Section Total - Continuation" and "Section Totals - Final" are for informational purposes only. Sections 51, 52, 53 and 54 contain, constitute, or amend appropriations.

## Section 56: Flex

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation Intra-State Government

Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid," "Medicaid: Aged, Blind, and Disabled," and "PeachCare" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

For purposes of the appropriations for the "Capital Construction Projects," "Capital Maintenance Projects," and "Local Road Assistance Administration" programs of the Department of Transportation, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.

## Part II: Effective Date

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

## Part III: Repeal Conflicting Laws

All laws and parts of laws in conflict with this Act are repealed.
