RE: Fiscal Year 2014 Annual Operating Budget (AOB)

The Fiscal Year 2014 Annual Operating Budget Procedures and Instructions are available on the OPB website at opb.georgia.gov for you to prepare your AOB. Your AOB submission must reflect the Fiscal Year 2014 Appropriations Act (HB 106) and must be submitted to this office by May 31, 2013.

Included in the instructions are OPB Policies and Procedures for preparing the AOB, guidelines for submitting the AOB in the BudgetNet System, and for preparing amendments to your budgets. The Budgetary Control and Interpretation section on page 4 explains the budget level at which agencies are required to track and report revenues and expenditures. Therefore, agencies are encouraged to review this section thoroughly. Instructions on the allotment process will be available at a later date.

Please contact your OPB analyst to set up your agency in BudgetNet to begin loading the FY 2014 AOB and if you have any questions or require any assistance.
