

Georgia All-Payer Claims Database (GAPCD) Advisory Committee

Committee Membership

The Georgia All-Payer Claims Database (GAPCD) Advisory Committee is established by O.C.G.A. §31-53-41 for the purpose of making recommendations regarding the creation of the framework and implementation plan for the APCD. The APCD will facilitate the reporting of healthcare and health quality data resulting in transparent and public reporting of safety, quality, cost, and efficiency information at all levels of healthcare.
