

APPENDIX A

Vehicle Acquisition Matrix- The State of Georgia’s fleet includes several aged and/or high mileage vehicles. Reducing the average age and mileage of the fleet is a goal of the Office of Fleet Management (OFM). To allow these vehicles to be transferred from one agency to another defeats those efforts. To reduce the number of these types of vehicles that can re-enter the vehicle inventory after replacement or disposal, we have established guidelines on state agency acquisition of vehicles. These guidelines will apply to vehicles proposed for acquisition from any source, including donated and used vehicle purchases. Effective April 15, 2012, the guidelines will apply to any state agency falling under the policies and procedures of Policy 10: Rules, Regulations and Procedures Governing the Purchase, Operation and Disposal of Motor Vehicles and Associated Record-keeping. These may be rescinded or altered as determined by OFM and OPB.
