Honorable Park Cannon
State Representative
512-F Coverdell Legislative Office Building
Atlanta, Georgia 30334

SUBJECT: Fiscal Note
House Bill (LC 39 1971)

Dear Representative Cannon:

The bill would modify the uniform traffic citation and complaint form (UTC) that is maintained by the Department of Driver Services (DDS). The bill would require a notation be added to the form, effective January 1, 2020, as to whether the "alleged violation was committed by the operator of either a motor vehicle or a bicycle".

The bill would not require additional state expenditures. DDS would update its electronic version of the form, which is made available to all law enforcement entities in the state. DDS personnel noted that the information is not included in its data collection efforts but may be used by other local or state agencies.

Sincerely,

Greg S. Griffin
State Auditor
