HB 750 – AFY 2016 Appropriations Bill

Intent Language Considered Non-Binding

Section 23, pertaining to the Department of Economic Development, page 67, Line 136.1:

The General Assembly seeks to direct the Department of Economic Development to utilize \$200,000 for music promotion activities within Georgia. Program funding should be used to promote tourism activities in accordance with the highest priorities of the state. The Department is authorized to operate the program in accordance with the purpose of the program and the general law powers of the Department.

HB 751 – FY 2017 Appropriations Bill

Line-Item Vetoes by the Governor

Section 50, pertaining to the Georgia General Obligation Debt Sinking Fund, page 141, Line 4328:

This language authorizes the appropriation of \$138,840 in debt service to finance projects and facilities for the Department of Community Affairs, specifically for the construction of a seawall on Hutchinson Island in Savannah, through the issuance of \$600,000 in five year taxable bonds. Article VII, Section IV, Paragraph I (c) requires that general obligation debt may only be issued to “acquire, construct, develop, extend, enlarge, or improve land, waters, property, highways, buildings, structures, equipment, or facilities of the state.” In this instance, the state does not have ownership of the land identified for the seawall, and thus is prohibited from using general obligation debt to finance this project. Therefore, I veto this language (page 141, line

4328) in the provisions relative to Section 50 State of Georgia General Obligation Debt Sinking Fund and the state general funds of \$138,840.

Intent Language Considered Non-Binding

Section 23, pertaining to the Department of Economic Development, page 51, line 1630:

The General Assembly seeks to appropriate \$100,000 for the National Infantry Museum by only reducing funding by \$400,000. Program funding should be used to promote tourism in accordance with the highest priorities of the state. Therefore, the Department is authorized to utilize the remaining \$100,000 in accordance with the purpose of the program and the general law powers of the Department.

Section 23, pertaining to the Department of Economic Development, page 51, line 1633:

The General Assembly seeks to appropriate \$100,000 for the Georgia Historical Society. Program funding should be used to promote tourism in accordance with the highest priorities of the state. Therefore, the Department is authorized to operate the program in accordance with the purpose of the program and the general law powers of the Department.

Section 25, pertaining to the Employees’ Retirement System, page 61, line 1948:

The General Assembly seeks to appropriate \$455,000 to provide retirement benefits to appellate court judges upon reaching the age of 60. Legislation providing authorization for this benefit did not pass during the 2016 legislative session. Therefore, the Department is authorized to operate the program in accordance with the purpose of the program and the general law powers of the Department.

Vetoed By the Governor

Section 25, pertaining to the Employees' Retirement System, page 61, line 1949:

The General Assembly seeks to appropriate \$50,000 to provide for an increase in the employer's share for the Judicial Retirement System. The Department is authorized to operate the program in accordance with the purpose of the program and the general law powers of the Department.

Section 41, pertaining to the University System of Georgia Board of Regents, page 107, line 3471:

The General Assembly seeks to appropriate \$25,000 for the Carl Vinson Institute of Government at the University of Georgia to assist in the operations of the DeKalb County Charter Review Commission in the Teaching program. Local legislation creating the review commission did not pass during the 2016 legislative session. Therefore, the Department is authorized to operate the program in accordance with the purpose of the program and the general law powers of the Department.

Section 50, pertaining to the Georgia General Obligation Debt Sinking Fund, page 137, line 4282:

The General Assembly seeks to instruct the Department of Community Supervision to "begin moving towards a ten year replacement cycle" in the conference report that reduced the bond amounts. This language is inconsistent with the state's purchase and use of motor vehicle policy under O.C.G.A. Section 45-12-73. The policy creates a framework for agencies to utilize to ensure the safety and insurability of the state's motor vehicles. The policy further outlines the framework for agencies to determine the replacement schedule of motor vehicles, depending upon their use and type of vehicle. The effect of changing the framework to a 10 year cycle of replacement potentially impacts the safety and operations of the

vehicles, particularly those whose recommended replacement is based primarily on mileage. Therefore, the department is authorized to continue to plan on replacement cycles consistent with the state policy and to utilize the bond appropriations for the number of vehicles available for the amount of funds appropriated.

Section 50, pertaining to the Georgia General Obligation Debt Sinking Fund, page 137, line, 4288:

The General Assembly seeks to instruct the Department of Corrections to "begin moving towards a ten year replacement cycle" in the conference report that reduced the bond amounts. This language is inconsistent with the state's purchase and use of motor vehicle policy under O.C.G.A. Section 45-12-73. The policy creates a framework for agencies to utilize to ensure the safety and insurability of the state's motor vehicles. The policy further outlines the framework for agencies to determine the replacement schedule of motor vehicles, depending upon their use and type of vehicle. The effect of changing the framework to a 10 year cycle of replacement potentially impacts the safety and operations of the vehicles, particularly those whose recommended replacement is based primarily on mileage. Therefore, the department is authorized to continue to plan on replacement cycles consistent with the state policy and to utilize the bond appropriations for the number of vehicles available for the amount of funds appropriated.

Section 50, pertaining to the Georgia General Obligation Debt Sinking Fund, page 139, line 4309:

The General Assembly seeks to instruct the Department of Juvenile Justice to "begin moving towards a ten year replacement cycle" in the conference report that reduced the bond amounts.

Revenue Shortfall Reserve

The 1976 session of the General Assembly created the Revenue Shortfall Reserve in lieu of the Working Reserve. This reserve acts as a savings account or "rainy day" fund for the state should revenue collections decline unexpectedly or uncontrollably. Current law provides that the reserve cannot exceed 15% of the previous year's net revenue. For each fiscal year, the General Assembly may appropriate an amount up to 1% of the net revenue collections of the preceding fiscal year for funding increased K-12 needs. In addition, the Governor has the authority to release funds from the reserve in excess of 4% of the net revenue of the preceding fiscal year. The chart for FY 2015 includes agency surplus collected after June 30, 2015 and does not include funds used for mid-year K-12 adjustment in FY 2016.

The U.S. Supreme Court decision, *Olmstead v. L.C.* (1999) declared that unnecessary segregation of individuals in institutions might constitute discrimination based on disability and be a violation of the Americans with Disabilities Act. The decision affects qualified individuals with a physical, mental, or age-related disability who are receiving state-supported long-term care in a state hospital or nursing home that could also benefit from community placement and are not opposed to the move. It also affects people with disabilities who need state-supported community-based services to avoid going to state hospitals or nursing homes. Since the *Olmstead* decision, Georgia has taken steps to comply with the ruling by making more community services available and accessible to Georgians with disabilities.
